

Program "Break-a-Leg" and "Shout-Out" Order Form

Theatre superstition warns that you should never wish a performer "*Good Luck*" because it may have the opposite effect. Instead we say "Break-a-Leg" to outwit fate. Sending a Break-a-Leg note is a great tradition at Marcos and now we're offering you the opportunity to place your special note of congratulations in the show program.

For just \$10, you can recognize your favorite performer with up to 15 words in the show program! Your \$10 ad will go to help support these top-notch productions – thank you!

Recognize your special 'Star' by writing your message of congratulations, best wishes, "shout out" or "Break-a-Leg" (text only) in the space below.
